

TAME CLUB FAQ AND REGISTRATION

A TAME Club is an enrichment program that offers activities and curriculum to support students interested in exploring STEM subjects with the guidance of sponsors and leaders. TAME club sponsors are the adult liaisons for the sponsoring organization that provide access to a meeting location and time. TAME club leaders plan, organize and lead activities during TAME club meetings and events. The same person can be a sponsor and leader.

TAME clubs are inclusive, but recruitment is focused on women and under-represented minority populations. TAME students prepare to compete in the TAME Math and Science Competitions offered free of cost across the state. They may also participate in other competitive programs like robotics (FIRST, BEST, GEAR, etc.), rocketry programs, Future City Challenge or other event of local interest.

*** NEW ***

Students must be registered with a TAME club to compete in Divisional and State TAME Math and Science Competitions.

ELIGIBILITY

TAME Clubs must

- Have a leader and sponsor (can be same person)
- Have at least 4 registered students
- Include students in grades 6 – 12
- Have regularly scheduled in-person meetings

REGISTRATION

Registration for TAME Clubs opens in August 1, 2014. Sponsors may register online or complete the registration form and submit it to the TAME Office.
