**Sometimes
In Science Class,
You Get Results
You Never
Expected!**

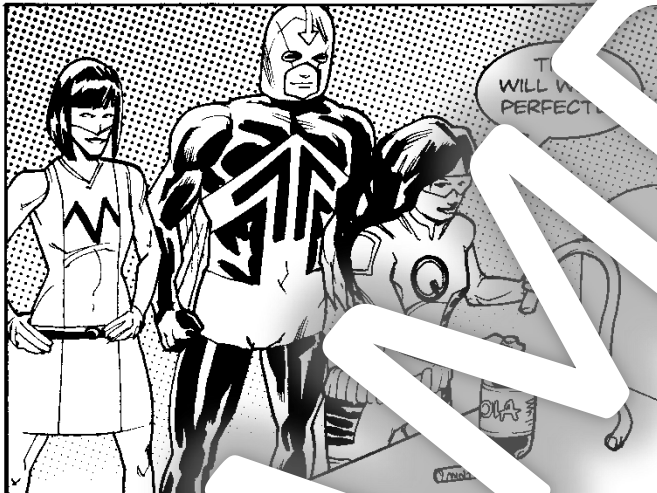

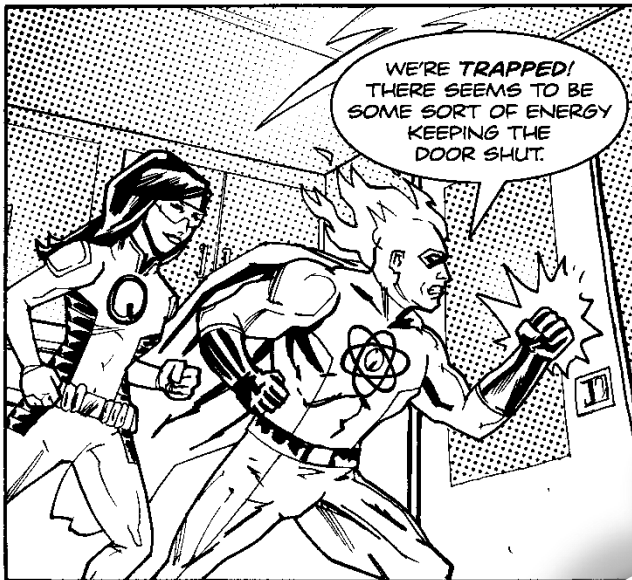

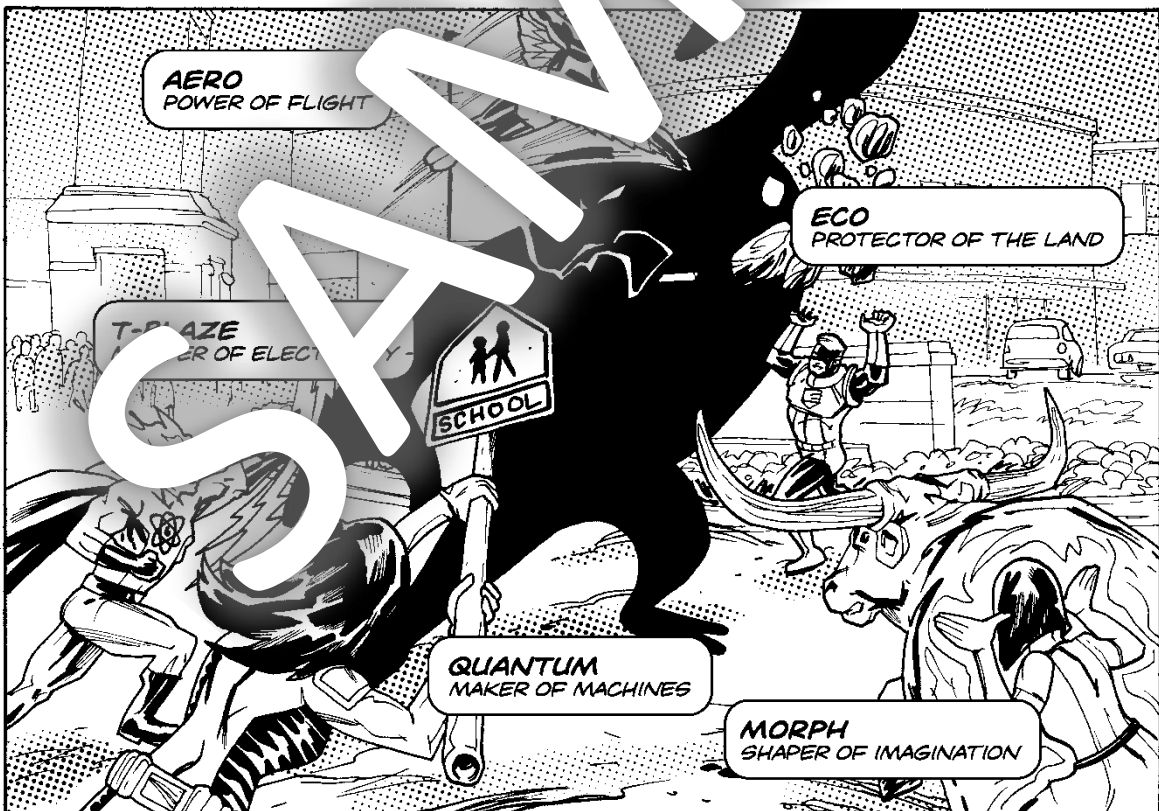

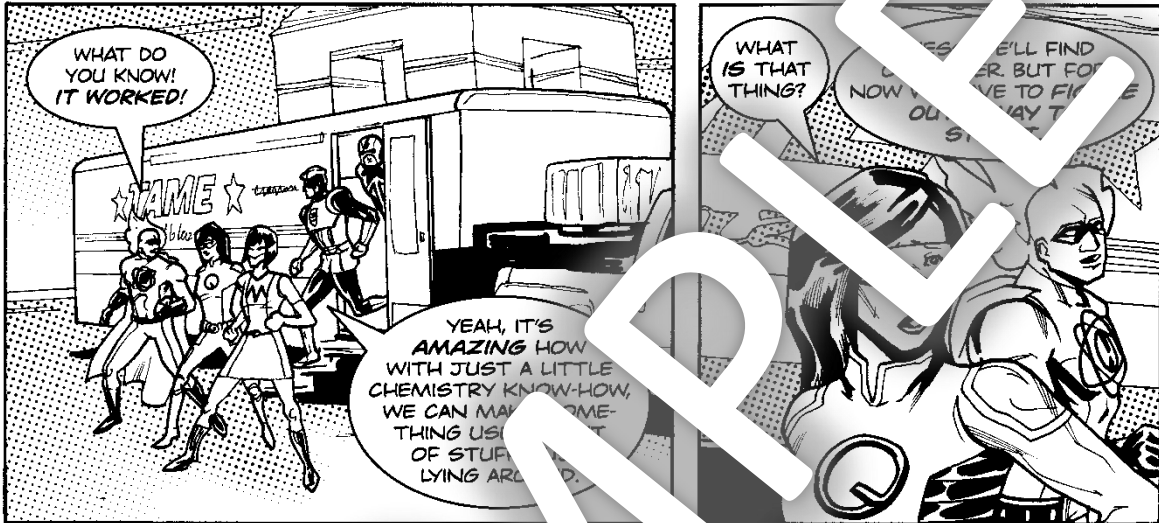

MATTER
INTO
ENERGY!

"Science Squad," "T-Blaze," "Aero," "Eco," "Quantum," "Morph" and all other characters used in this comic are ©Texas Alliance for Minorities in Engineering. All rights reserved. This comic may not be reproduced in whole, or any part, in any form, without the express written permission of TAME.

Texas Alliance for Minorities in Engineering
TODAY'S STUDENTS
TOMORROW'S INNOVATORS

TAME's Mission:

Enabling Texas students to pursue careers in Science, Technology, Engineering and Math (STEM) by

- Creating partnerships among educators, industry, government and families to inform, educate and motivate students
- Implementing classroom and extra-curricular programs and activities
- Focusing on populations that remain underrepresented in fields of STEM
- Promoting diversity in STEM careers

***Special thanks to the following TAME volunteers
for their invaluable assistance with the creation of issue #1:***

*Laura Bosworth, Annie Carter, Andy Deck, Steve Deleon,
Emanuel Guidry, Katie Kizziar, Karl Nichols, Tramaine Singleton
Thank you Michael Nevels and Dr. Richard Price for the inspiration!*

***We wish to thank Emma Murillo and Gustavo Hernandez for their
support in developing the Spanish language version of this Comic Book.***

TAME Comics Presents: Science Squad #1
First Edition Published 2009 Second Edition Published 2012
