To whom it may concern,

Thank you for the opportunity to apply for the TAME Freshman Scholarship. Here are the documents I am attaching to this email, which have all been marked with my name.

- Scholarship application & essay
- HS transcript
- ACT results
- First two pages of my family's most recent tax return, IRS Form 1040
- My acceptance letter from University of Houston
- Letter of recommendation from my TAME Club Sponsor Dr. Mae Jemison

I have also reached out to Mrs. Nyota Uhura, the science teacher who runs my NSBE Jr. Chapter, and asked her for the optional second letter of recommendation. She plans to submit it this week through tame.org/letter.

Please let me know if you have any questions about my application.

Regards,

Ms. Katherine Johnson

TAME MENTOR PROGRAM

TAME offers a support system that matches first-year college students with coaches from TAME network of STEM professionals. Your coach would offer encouragement and info about how to navigate college, classes, finals, financial aid, and much more. They've been through this before and they want to help.

I am interested in TAME matching me with a coach from TAME network of STEM professionals. I understand that TAME will email me in late July to begin this process.

Scores in Relation to Benchmarks

Composite and Subscores: ACT test scores and the Composite score range from 1 to 36; subscores range from 1 to 18. Your Composite score is the average of your scores on the four subject tests. Subscores do not necessarily add up to your score for a subject test.

ACT College Readiness Benchmarks: If your scores are at or above the ACT benchmark scores, you will likely be ready for first-year college courses.

U.S. Rank and State Rank: Your ranks tell you the approximate percentages of recent high school graduates in the U.S. and your state who took the ACT and received scores that are the same as or lower than yours.

Interpreting Your Scores: Test scores are not precise measures of your educational development. ACT scores reported are the midpoint of a score range that represents your educational development at the time you took the ACT. For example, the score range is plus or minus one point for the Composite score. You will find more information about interpreting your scores in the *Using Your ACT Results* booklet provided with this report and at www.actstudent.org.

Writing: The score ranges from 1 to 36. Writing domain scores range from 2 to 12. Domain scores do not necessarily add up to your score for the Writing test.

ELA 24 70%

STEM 19 40%

Understanding Complex Texts

Proficient

Progress Toward Career Readiness

You are making progress toward a Gold level on the ACT NCRC.

English Language Arts (ELA): An average of your English, Reading, and Writing scores. The score ranges from 1 to 36.

Science, Technology, Engineering, and Mathematics (STEM): An average of your Math and Science scores. The score ranges from 1 to 36.

Understanding Complex Texts: Measures level of proficiency on a subset of items in the Reading test assessing the ability to identify the central meaning and purposes for a range of increasingly complex texts.

Progress Toward Career Readiness: Based on your ACT Composite score, Progress Toward Career Readiness is an indicator of your potential level of achievement on the ACT National Career Readiness Certificate™ (ACT NCRC®). The ACT NCRC is an assessment-based credential that certifies skills critical to your future education and career success.

Learn how ACT NCRC performance relates to job skill requirements at www.act.org/workkeys/briefs/files/NCRCRequirements.pdf.

To Whom It May Concern,

It is my great pleasure to recommend Katherine Johnson for the TAME Scholarship. I met Katherine her Sophomore year when she joined the TAME Club that I sponsor at Houston High School. Katherine was also in my AP Calculus class during her Junior year.
