

MEDIA GUIDE:

TAME is a non-profit organization based out of the state office in Austin, Texas. TAME is its own individual organization, but is supported by many partners, sponsors and organizations. <https://www.tame.org/partners>

In 2018, Tocker Foundation has sponsored 36 summer library visits to rural libraries across Texas. (Defined as libraries who serve fewer than 12,000 people in their service area).

TAME is the Texas Alliance for Minorities in Engineering.

- Be sure not to use Association instead of Alliance

The Trailblazer is a 40ft, traveling STEM museum. It has 5 exhibit areas on board, each with several hands-on activities and STEM career information:

- Aerodynamics
- Biotechnology
- Energy
- Weather
- Space

The Trailblazer is **NOT**

- a bus
- a truck
- an eighteen wheeler
- a semi
- a pop-up activity tent

The Trailblazer **IS** a 40 foot trailer, mobile-museum, or STEM-museum-on-wheels.
