

# JOIN THE CLUB!

## BECOME A TAME ENGINEER!

### 2025-26 TAME Club Focus

TAME Engineers will:

- Design and build innovative solutions to produce affordable and clean energy throughout the state of Texas.
- Learn about engineers' role in creating a better and more sustainable world for all.

**EXPLORE . . .** Careers in Engineering  
**CONNECT . . .** With Engineering Role Models  
**DISCOVER . . .** How Exciting Engineering Can Be!

### TAME Clubs and Competitions are FREE to students!

- **Engineering activities** let YOU find solutions to real-world problems
- Engineering **competitions** with prizes, awards and giveaways
- **Scholarships** for graduating seniors planning to major in STEM

How do YOU want to change the world?!
